Product Description

Product Description:

150ml Freezer Safe Breast Milk Storage - Temperature Range -4 to 140 Degrees Fahrenheit

Our Breast Milk Storage Bag is a must-have for any breastfeeding parent. It features a secure closure to ensure that the bag stays securely closed while in use. Its leak-proof design prevents milk from spilling or leaking out of the bag, and it is also dishwasher safe for easy cleaning. The temperature range is -40 to 230 degrees Celsius, making it suitable for storing breast milk in both refrigerators and freezers. Its standard size makes it easy to store and transport the bag, making it perfect for on-the-go parents.
