Product Description

160 Holes BPA Free Medium Silicone ice Ball Maker for Refreshing Beverages

Product Description:

Ice Cube Tray

The Ice Cube Tray is the perfect addition to your kitchen! It's a great way to make and store ice cubes for your drinks and other beverages, while also saving space. This Ice Cube Tray is made with BPA free material, and is available in a variety of sizes, ranging from 6 to 60 cavities. You can choose from plastic or silicone material, and it comes in a wide selection of colors, including white, blue, green, red, black and multi-color. The Ice Cube Tray is also microwave safe, so you can quickly and easily heat up drinks or food. This Ice Cube Tray is not only perfect for organizing and storing your ice cubes, but also for making cool and unique ice cubes with its silicone ice ball mold. Use the silicone ice ball mold to make large ice balls for cocktails, mocktails and smoothies. The ice cube tray is also great for making large ice cubes for punch bowls, pitchers and other large drinks. With its versatility and convenience, the Ice Cube Tray is the perfect ice cube organizer for your kitchen!
